

Curriculum Vitae Edward Iglesias

147 Atkins Street, Meriden, CT 06450 · edwardiglesias@gmail.com

Summary of Qualifications:

- Over 10 years professional experience in a variety of academic library settings.
- Coordinated systems related projects, product evaluation, and vendor relations for single and consortial library environments.
- Experience hiring, training, and supervising professional and paraprofessional staff
- Extensive library technology and strategic planning experience.
- Experience with deployment and administration of digital repositories including ContentDM, LUNA, and E-prints.

Academic Library Experience:

Elihu Burritt Library, Central Connecticut State University New Britain, CT

Assistant Librarian/Systems Librarian/CONSULS Coordinator Jun. 2005 – Present

Work as a part of the ERIS (Electronic Resources and Information Services) team focused on all aspects of user interface, usability, infrastructure, discoverability, database purchase and metadata maintenance within the Burritt library. Coordinate and maintain the CONSULS system, administer all associated servers, organize system wide training, coordinate upgrades, and plan for all future technology needs in the library. Serve as primary systems contact throughout the system which includes the State Library, Western, Eastern Southern and Central Connecticut State Universities. Coordinate system backup, server purchase and maintenance by the CSU System Office, all planning and implementation of future releases, system customization, downtime and upgrades. Work with all stakeholders during the purchase and implementation of new system components. Address any security issues that are caused as a result of the CONSULS system. Create load tables and write documentation for loading marc records as necessary. Work with the Electronic Resources Librarian, the Director, Information Technology, the CSU Systems Office and representatives from the other four libraries develop strategies for continuing the smooth operation of the CONSULS system, improve the discoverability stability and interoperability of our resources. Organize working groups to develop RFPs and/or RFIs as well as development of formal and informal support systems with other University and System units.

J. Edgar & Louise S. Monroe Library, Loyola University New Orleans, New Orleans, LA

**Assistant Professor/Technical Services Librarian/ILS Coordinator
Nov. 2002 – May 2005**

Manage the library's integrated library system. Perform software upgrades, maintenance, and coordinate system backups. Work with Sirsi Team to determine optimal schedules for upgrades and maintenance. Work with various library teams on design and functionality of the integrated library system. Work closely with Web Team to evaluate website usability and accessibility. Coordinate the customization of the library's web-based catalog. Worked with the Technology Team to prioritize and develop overall library technology budget. Serve as the system liaison to the Information Technology Department. Assist in the redesign of the library website including implementation of SFX and Metalib. Set up access to other electronic journals. Provide leadership in exploring new developments in integrated library systems and related products. Coordinate transfer of bibliographic, authority, and patron records to and from the integrated library system. Manage library system-related statistics and reports. Provide access to journals available through aggregator databases and other electronic journals. Assist patrons with reference related inquiries in person and through the digital reference interface.

Delgado Community College -- West Bank Campus, New Orleans, LA

Head Librarian/Instructor Sept. 2000 – Nov. 2002

Administered all functions related to managing the campus library. Assisted students, faculty members, and administrators with a wide range of reference projects. Supervised librarian, library paraprofessional and student workers. Managed library budget, acquisitions, and collection development. Instituted new policies to increase library security and the accessibility of resources. Negotiated with administrators for additional library space and worked with architects to plan for the building of a new facility to house the library. Facilitated and planned for further library automation and the integration of electronic resources. Developed a library website providing patrons with increased access to the electronic resources available through the library and on the internet.

Iglesias Consulting, New Orleans, LA TX
Owner/Library Consultant Jul. 1999 – Jul. 2000

Mayor, Day, Caldwell & Keeton L.L.P., Houston, TX
Special Projects Librarian Jan. 1999 – Jun. 1999

Stitt Library, Austin Presbyterian Theological Seminary, Austin, TX
Circulation Attendant Jun. 1998 - Dec. 1998

Skills:

Computer Operating Systems: Windows, MacOS, MS-DOS, UNIX (AIX, Solairs), Linux
Library Applications: Innovative Interfaces (Millennium), Sirsi (Unicorn, ilink, Workflows),
3M Self Check, Illiad, Ariel, ContentDM, E-prints, LUNA

Software Applications: Word, Excel, Access, PowerPoint, File Maker Pro, Open Office, vi
Database Tools: MySQL, shell scripting, AIX administrative tools (SMIT, TOPAS), Ruby
on Rails

Programming Languages: PERL, XML, CSS, HTML, XHTML, XSLT, PHP, Python, Ruby
Internet: Lynx, FTP Clients, Telnet Clients, PGP, Pine, HTML Dreamweaver, SSH

Language Skills: Fluent in Spanish

Education:

University of Texas at Austin, Austin, TX

Master of Library and Information Science *Aug. 2000*

Focus on Business and Legal Reference, Competitive Intelligence, and Online Research

Texas A&M International University, Laredo, TX

Master of Arts in English *Dec. 1995*

Minor: Psychology

Thesis: "Fortune's Myth: A Mythological and Biographical Approach to Dion Fortune's
The Sea Priestess"

Texas A&M International University, Laredo, TX

Bachelor of Arts in Psychology *Dec. 1994*

Minor: English

College/University Teaching Experience:

University of Houston Downtown, Houston, TX

Adjunct English Instructor Aug. 1996 - May 1998

Central Campus, Houston Community College, Houston, TX

Adjunct English Instructor Jan. 1997 - May 1997

Laredo Community College, Laredo, TX

Adjunct English Instructor Aug. 1995 - Dec. 1995

Additional Training:

Introduction to METS July 2007

Innovative Interfaces Load Profile Training May 2006

Innovative Interfaces System Administration Training Sept. 2005

Introduction to XML & XSLT Workshop Aug. 2005

LANtec Computer Training, Fundamentals of CGI Programming Using PERL May 2003

LANtec Computer Training, Fundamentals of Programming Using PERL Apr. 2003

Sirsi Corporation, Basic Unicorn Administration Training Jan. 2003

Sirsi Corporation, Advanced Unicorn Administration Training Jan. 2003

OCLC Mind Leaders Course, CGI/PERL Dec. 2002

Leadership Experience:

Central Connecticut State University New Britain, CT

Faculty Senate

Information Technology Committee (Ex-Officio)

ITC listserv Subcommittee

Graduate Studies Committee

CSU Systems Librarians Committee

AAUP Elections Committee

AAUP Blue Ribbon Committee on Higher Education

Course Management Sub-Committee of the Senate Ad-Hoc Committee on Electronic Learning

Loyola University New Orleans, New Orleans, LA

Sirsi Team Leader

User Education Team Member

Technology Team Member
